### OPEN ENROLLMENT - SIGN UP TODAY!

#### Bunnies (18-24 months - with adult)

This is a fun, adult-interactive class for toddlers to help build physical skills, cognitive abilities, self-esteem & teamwork.

#### Thumpers (24-36 months - with adult)

This is a fun, adult-interactive class that is more advanced than Bunnies and continues to build fundamentals.

#### Cottontails (2.5-3.5 years with adult)

This is a transitional class that is partially adult-interactive for children who are not yet ready to be on the field alone but they need more of a challenge than Thumpers.

#### Hoppers (3-4 years - beginner)

Introductory soccer class that uses creativity and fun to build fundamental skills, teamwork and cooperation. Classes focus on coordination, balance, dribbling, and scoring. Players experience fast-paced and very imaginative games.

#### Jackrabbits (3-4 years - intermediate)

This transitional class is the next step after Hoppers classes and is designed to improve fundamental skills. Players learn more complex ball skills and play some small-sided games to help prepare them for Micro Classes.

#### Big Feet (5-6 years beginner)

An introductory class for 5-6 year olds who have not played soccer before. Classes focus on learning basic skills & confidence by playing fun, high energy games.

#### Micro 4/5 (4-5 year - advanced)

Designed for kids with past soccer experience. Classes combine skill building games with scrimmages to optimize learning in a non-competitive environment.

#### Micro 6/7 (6-7 years - intermediate)

Designed for kids with past soccer experience. Classes combine skill building games with scrimmages to optimize learning in a non-competitive environment.

#### Micro 8/9 (8-9 years - beginner)

Designed for kids with no past soccer experience. Classes combine skill building games with scrimmages to optimize learning in a non-competitive environment.

#### Micro Advanced (5-6 years - advanced)

Designed for kids with past soccer experience. Classes combine skill building games with scrimmages to optimize learning in a non-competitive environment.

#### Micro Advanced (7-8 years - advanced)

Designed for kids with past soccer experience. Classes combine skill building games with scrimmages to optimize learning in a non-competitive environment.

#### TNT (9-12 years - advanced)

Class will teach technical aspects of soccer and how to use them tactically in game situations.
